2024 Jim McGee Memorial Scholarship

General Academic Scholarship Information

The scholarships under this program are available for those students seeking a career in civil engineering, civil engineering technology, or other transportation or construction related fields.

Amount

The highest scoring applicant will receive the maximum award of **$2000**.

Based on the application review committee's recommendations, up to two additional scholarships may be awarded to either:

1) The first runner-up (**$2000**), or
2) Split (**$1000** each) between the first and second runners-up.

Eligibility

1. The applicant must be enrolled in an ABET accredited program at a school in Georgia.

2. The applicant must be an undergraduate who will be entering either the third or fourth year of a four-year program or the second year of a two-year program by the fall semester of the submission year. The applicant must be enrolled as a full-time student for the fall semester of the submission year (Fall 2024).

3. The applicant is eligible to receive the award only once.

4. The applicant must submit a completed application and a copy of their college transcript. Resumes may also be included but are not required.

Submission

Please submit a completed application (PDF format) along with your official transcript.
